3 Bedroom, 3.00 Bathroom, 1,829 sqft
Residential on 0.09 Acres

Heartland, Cochrane, Alberta

MORNINGS START WITH SUNLIGHT ON THE DECK—coffee in hand, the Rockies minutes away, and a backyard that doesn't ask for a single weekend of heavy lifting. The landscaping is already done, the PERGOLA already built, and the back yard is ready for both quiet chapters and lively dinners. Instead of staring at a patch of dirt, you start here—outside, in the fresh air, no reno list in sight.

Step inside and the flow is calm and connected. The kitchen keeps everything at arm's reach with STONE COUNTERS, a GAS RANGE, and clean-lined cabinetry that feels modern without being cold. The dining area sits in natural light, bridging the kitchen and living room so conversations never have to pause. At the heart of it all, the living room is centered on a feature wall with an ELECTRIC FIREPLACE and shelving that doubles as storage and display. No dead corners, no wasted space—just rooms that pull you forward naturally.

Upstairs, the problem so many family homes share—everyone crowding the same corner—simply disappears. The BONUS ROOM is 18'x13', big enough for a sectional, a screen, and still a Lego empire in the corner. Bedrooms tuck off to the side, including a primary with a FIVE-PIECE ENSUITE and a walk-in closet you won't need to negotiate for. Laundry

lands upstairs too, so baskets stop
bottlenecking the stairs. It's real life,
smoothed out.

Out back, the FULLY FENCED YARD gives
pets and kids freedom without giving you heart
palpitations. LOW-MAINTENANCE
LANDSCAPING leaves weekends open, while
the TWO-TIERED DECK WITH PERGOLA
creates separate zones"lounging up top,
dining down low, or both at once. There's
still room for play, gardening, or just pulling a
chair into the sun. Out front, the FRONT
ATTACHED DOUBLE GARAGE and wide
driveway give you room for more than one
vehicle without shuffling, allowing the street to
stay neighbourly and calm.

Heartland itself does the rest. Parks and
playgrounds link the neighbourhood, pathways
make daily walks easy, and CALGARY SITS
JUST 20 MINUTES AWAY when you need it.
But the truth is, most of the time you
won't. Because the whole point of moving
here is to TRADE TRAFFIC FOR TRAILS,
noise for mountain air, and weekends for
something better.

58 Buckskin Way isn't just another
two-storey. It's the kind of home where
your routines stop fighting you and start lifting
you. Come see what that feels like. Book your
showing today!
